## WELCOME TO ALL EXHIBITORS

On behalf of Turriff District Agricultural Association (TDAA) I extend a huge welcome to all livestock exhibitors taking part in the 160<sup>th</sup> year of Turriff Show, due to be held on Sunday 4<sup>th</sup> and Monday 5<sup>th</sup> August 2024. It is a privilege to welcome such a fantastic range of exhibitors and top-quality livestock to the show.

Turriff Show – the largest two-day agricultural show in Scotland, draws crowds of over 30,000 people each year and is recognised as the main connection to agriculture in the North East of Scotland. In total we award over 330 trophies and £88,000 in prize money across 1,554 classes to include, livestock & equine classes, dogs, covies, vintage & classic vehicles, and a host of industrial classes – such as homegrown vegetables, crafts and home baking.

There are over 300 indoor and outdoor trade stands, alongside the fabulous EQ Food and Drink Marquee - showcasing the very best of the region's food and drink produce. This year we are introducing a new horse-shoe shaped marquee that will combine Shopping Mall, Arts and Crafts and Exhibition stands. The main ring is the largest of its kind, presenting the best quality livestock in Scotland, making it a popular date in the diary for its exhibitors.

If this is your first time exhibiting at Turriff Show, then I hope you find it to be a thrilling experience and that above all else you have fun. Our wonderful Office Team, Show Convenors and Stewards will make every effort to assist you with your entries and be on hand to help during the Show. This year we are delighted to welcome The Scottish National Simmental Summer Show and The Scottish National Bluefaced Leicester Progeny Show. Exhibiting livestock is a big-time commitment, which is appreciated and recognised by TDAA by offering good prize money for all classes.

We are very fortunate to have such tremendous and continuous support from a wide range of businesses and individuals who invest in the Show's sponsorship and donations, all of which is very much appreciated.

At the very forefront of agriculture, we are delighted to welcome this year's main Turriff Show Sponsor Melrose Farms and Haulage. The family-run business near Banff is run by Dougie Allan, alongside sons David and Stuart. Alongside main sponsor, David Allan is president for this year's Turriff Show.

Separate schedules are available for the following sections from the website [www.turriffshow.org](http://www.turriffshow.org) or by contacting the show office on 01888 562219 for further details:

Also animals may move from Show to Show or may return to their usual premise of residence without triggering a 13-day standstill

- provided they are kept in separate facilities under an approved separation agreement with the Scottish Government Rural Directorate.

Keeping horses fit and active in their later years is highly beneficial for all-round health and well-being. A veteran horse's diet must reflect their energy requirements for maintaining weight and providing fuel for work, whether that be light hacking or competing regularly. Veteran Light is ideal for those that are prone to laminitis or hold their weight well. Veteran Vitality provides extra calories for those that need more energy or struggle to maintain their weight.
