

TURRIFF DISTRICT AGRICULTURAL ASSOCIATION
OPEN SHOW SUNDAY 4TH AUGUST 2024

Thank you to the Committee for my invitation to Judge the Beagle Classes and for their warm hospitality at the Show. Thanks also to my Stewards for their efficient running of the ring. It is a lovely venue especially with the sun shining.

Beagle Post Graduate (3,1)

1. Cuthill's **Divinebrae Queen of Hearts**. 7 month old bitch. Lovely youngster who is really well made. Good head and construction and really strode out with drive and purpose. Held her topline well on the move. Just edged it over the Open winner with her drive today for BOB. I was delighted to see her go on to take Group 3.
2. Cuthill's **Divinebrae Sweetheart**. Litter sister to 1. Another lovely youngster who on another day might have changed places with 1. Gave her handler a tough time but is well constructed and moved well once she had settled. Delighted to see her go RBPIS.

Beagle Open (1,0)

1. Cuthill's **Detrick Firefly over Divinebrae**. Well constructed, 9yr old bitch who can still show the youngsters a thing or two. Lovely feminine head and so elegant on the move. Held her topline well on the move. Just a shade out of condition and not quite the drive today of her granddaughter.
