

TURRIFF DISTRICT AGRICULTURAL ASSOCIATION

OPEN SHOW SUNDAY 4TH AUG 2024

Utility

Judge: David Robbins (Chenting)

Many thanks to the Officials and Committee for the invitation to judge at this excellent Agricultural show and for the unbelievable hospitality shown to me and my wife. It really was a wonderful experience. I found the quality of the dogs shown under me were first class and well worth the long journey undertaken. My ring stewards also were superb, not only in the ring but providing drinks when required to both my wife and myself, what would we do without them? Being an outside show, we were also blessed with fine weather.
