Jenny Campbell (Ronevorg)

I grew up with Skye Terriers and acquired my first Cocker Spaniel at the age of 16. Over 30 years ago, I welcomed my first Flatcoat Retriever into my life, and since then, I have been breeding, showing, and working with Flatcoats. I began judging in 2010. In 2022, my team of home-bred Flatcoats was named Top Gundog Team in the Breeder Group Stakes. Additionally, I also keep and show Valais Blacknose Sheep.

Euan Castel (Flutorum)

I have been exhibiting Border Terriers since 1991, breeding the occasional litter along the way. I began awarding tickets in the breed in 2014 and have had the honor of judging Terrier Groups at several open shows. I look forward to judging this event and thank the Association for their kind invitation.

David Howarth (Moorbrook & Arkview)

I have been actively involved in the dog showing world since the 1970s, achieving success with several breeds, including multiple champions. Currently, I serve as the secretary for four societies and have judged frequently, including Gundog Groups at Championship shows. I am also passed to award Challenge Certificates (CCs) in Whippets and am qualified to judge several Hound breeds.

David Bumford (Davebos)

Dogs have been in my life since I was a child. I have been involved in Committees of Open & Breed Clubs for 20 years. I begun showing and breeding Boston Terriers in 2005 with some success and was passed to award CC's in 2022. This is my first group judging appointment.

Jayne Clegram (Smiddyshaw/Jenkova)

I have been involved in showing dogs since I was 6 years old, and I've had the privilege of working with Border Collies, Shetland Sheepdogs, and Australian Shepherds. I award CCs in these breeds. I'm looking forward to judging at your show this summer, as I've heard it's one of the best!

Kenny Leslie (Windwalker)

I have been involved in dog showing for approximately 20 years and have recently begun my journey as a judge. I have previously judged hound breeds at this show. I am a JEP Level 2 judge for Border Collies, Shetland Sheepdogs, and Whippets. Currently, we show Whippets, Border Collies, and Rough Collies.

Joan Savage (Abbeyton)

Having grown up with a variety of dogs, particularly sighthounds, I began my journey in dog ownership with Border Collies and German Shepherds. My first Papillon, a gift from my husband, quickly captured my heart, and I've been devoted to the breed ever since. For the past 30 years, I've shown both Papillons and Phalenes, and I enjoy all aspects of the show world. From serving on committees to the honour and pleasure of judging all breeds at the open show level, it has been a rewarding experience. This year, I'm particularly excited to be awarded the opportunity to judge Papillon CCs for the fifth time. I'm looking forward to meeting exhibitors and their dogs at Turriff.

Jean Turnbull (Jenkova)

I have been a dog owner for most of my adult life, beginning with training working German Shepherds and Border Collies in obedience. Over time, I developed a passion for dog showing and have owned numerous Belgian Shepherds, both Groenendael and Tervueren varieties, as well as Australian Shepherds. Throughout my journey, I have had the privilege of awarding Challenge Certificates (CCs) in all varieties of Belgian Shepherds and Australian Shepherds. Additionally, I have judged working and pastoral breeds, as well as groups, at open shows.

 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. **NOT FOR COMPETITION** entries are not accepted.
19. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
20. An exhibitor or competitor should ensure that contact details for any handler are available and must be provided upon request in any investigation of a breach of this regulation by such handler.
21. Should any judge be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges to fulfil their duties. Exhibitors are at liberty to withdraw from competition but no entry fees can be refunded.
22. Any owner, competitor, or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licenced venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
